

# Larry Soderman Technical Papers

Title	Author	Publication Date
<b>Effect of groundwater levels on stress history of the St. Clair clay till deposit.</b> 1970. By L.G. Soderman and Y.D. Kim. Canadian Geotechnical Journal, Volume 7, Number 2, May 1970, pages 173-193.	Soderman, L.G., and Y.D. Kim,	5/1/1970
<b>Soil conditions and their influence on the design of foundations and pavements in Kuwait.</b> (Part II of paper: Notes on engineering design construction in Kuwait). 1969. By S. Abu-Sitta, L.G. Soderman and V. Milligan. Presented at the 11th Annual Arab Engineers Conference, Kuwait, Arabia Gulf, March 1969.	Abu-Sitta, S., L.G. Soderman and V. Milligan	3/1/1969
<b>Field and laboratory studies of modulus of elasticity of clay till.</b> 1968. By L.G. Soderman, Y.D. Kim, and V. Milligan. U.S. Highway Research Board Highway Research Record Number 243, 1968, pages 1-11. (Proceedings of: Soil Properties from In Situ Measurements, a Symposium.)	Soderman, L.G., Y.D. Kim, and V. Milligan	1/1/1968
<b>Geotechnical properties of three Ontario clays.</b> 1964. By L.G. Soderman and R.M. Quigley. Canadian Geotechnical Journal, Volume 2, Number 2, May 1965, pages 167-195. (Also presented at the 18th Canadian Soil Mechanics Conference, Toronto, December 3-4, 1964.)	Soderman, L.G., and R.M. Quigley	5/1/1965
<b>Closure to "Experience with Canadian varved clays".</b> 1963. By V. Milligan, L.G. Soderman, and R.M. Quigley. Journal of the Soil Mechanics and Foundations Division, American Society of Civil Engineers, Volume 89, Number SM6, November 1963, pages 81-82.	Milligan, V., L.G. Soderman, and R.M. Quigley	11/1/1963
<b>Construction of embankments on soft ground.</b> 1963. By V. Milligan and L.G. Soderman. Proceedings of the 44th Annual Convention, Canadian Good Roads Association, Winnipeg, Manitoba, September 30-October 3, 1963. Pages 430-442.	Milligan, V. and L.G. Soderman	9/30/1963
<b>Merits and mistakes of geophysics in civil engineering.</b> 1963. By H.Q. Golder and L.G. Soderman. Proceedings of the 2nd Panamerican Conference on Soil Mechanics and Foundations Engineering, Brazil, July 14-24, 1963. Volume 1, pages 513-531.	Golder, H.Q., and L.G. Soderman	7/14/1963
<b>Experience with Canadian varved clays.</b> 1962. By V. Milligan, L.G. Soderman, and A. Rutka. Journal of the Soil Mechanics and Foundations Division, American Society of Civil Engineers, Volume 88, Number SM4, August 1962, pages 31-67. (Also presented at the American Society of Civil Engineers Annual Convention, New York, October 20, 1961.)	Milligan, V., L.G. Soderman, and A. Rutka	8/1/1962
<b>Recent advances in soil mechanics and foundation engineering.</b> 1962. By L.G. Soderman. Presented at the Engineering Institute of Canada Regional Conference, London, Ontario, 1962.	Soderman, L.G.	1/1/1962
<b>Bridge abutement movements due to artesian pressures at depth.</b> 1961. By L.G. Soderman and A. Rutka. Presented at the 42nd Canadian Good Roads Association Convention, Banff, Alberta, September 1961. (Published as: Ontario Department Highways, Research Branch Research Report 23, 1961.)	Soderman, L.G., and A. Rutka	9/1/1961

Title	Author	Publication Date
<b>Capacity of friction piles in varved clay increased by electro-osmosis.</b> 1961. By L.G. Soderman and V. Milligan. Proceedings of the 5th International Conference on Soil Mechanics and Foundation Engineering, Paris, July 17-22, 1961. Volume 2, pages 143-147. (Also published as: National Research Council of Canada, Associate Committee on Soil and Snow Mechanics Technical Memorandum, Number 72, 1962 and National Research Council of Canada, Division of Building Research Technical Memorandum Number 72-10, 1961.)	Soderman, L.G., and V. Milligan	7/17/1961
<b>Geotechnical properties of glacial lake clays in Lake St. Clair Region of Ontario.</b> 1960. By L.G. Soderman, T.C. Kenney and A.K. Loh. Presented at the 1th Canadian Soil Mechanics Conference, Niagara Fall, Ontario, October 13-14, 1960. (Published as: National Research Council of Canada, Associate Committee on Soil and Snow Mechanics Technical Memorandum Number 69, 1961, pages 55-90.)	Soderman, L.G., T.C. Kenney, and A.K. Loh	10/13/1960
<b>Hints on proper culvert installation.</b> 1959. By L.G. Soderman. Roads and Engineering Construction, Volume 97, Number 8, August 1959, pages 62-65.	Soderman, L.G.	8/1/1959
<b>Proper practices in culvert installation.</b> 1959. By L.G. Soderman. Presented at the Ontario Good Roads Association T.J. Mahony Road School, May 1959 on a Course for Road Superintendents at the University of Toronto. (Published as: Ontario Department of Highways, Materials Research Section Research Report Number 9, May 1959.)	Soderman, L.G.	5/1/1959
<b>Influence of sample disturbance in laboratory testing of soils.</b> 1959. By L.G. Soderman. Presented at the Canadian Diamond Drilling Association Annual Meeting, April 1959.	Soderman, L.G.	4/1/1959
