

| Golder Foundation Technical Papers (John Seychuk) | | |
|---|---|-------------|
| Title | Author | Date |
| Dispute resolution in geotechnical engineering practice – Some lessons learned. Geotechnical News, Volume 34, Number 1, March 2016 | M.A.J. Matich, J.L. Seychuk and G.C. McRostie | 1/3/2016 |
| Forensic studies of unusual settlement of a building on sensitive clay. Proceedings of the the 60th Canadian Geotechnical Conference and 8th Joint CGS/IAH-CNC Groundwater Conference, Ottawa, Ontario, October 21-24, 2007. Published by the Canadian Geotechnical Society, Ottawa, 2007. 8 pages. | M.A.J. Matich, J.L. Seychuk and G.C. McRostie | 10/21/2007 |
| An engineer's professional liability "horror story". COBRAMSEG 2006: proceedings of the 13th Congresso Brasileiro de Mecanica dos Solos e Engenharia Geotecnica, Curitiba, Brazil, 27 a 31 de agosto de 2006. Published by ABMS, 2006. Also presented at the Professional Practice Committee Specialty Session of the 2012 Canadian Geotechnical Society Annual Conference, 2012 | J.L. Seychuk | 1/1/2006 |
| Geotechnically related causes of foundation failure. Structural Failure Investigations: proceedings of the 1st University of Toronto Structural Forensic Engineering Seminar, Toronto, Ontario, January 11-12, 1999. Published by Danay Engineering Ltd., Toronto, 1999. | J. Westland and J.L. Seychuk | 1/1/1999 |
| Lessons learned from the alleged failure of a geotextile filter: a forensic examination. Research Report GEOT-11-95. Published by the Geotechnical Research Centre, University of Western Ontario, Departement of Civil Engineering, Faculty of Engineering Science, June 1995. 37 pages. | R.K. Rowe and J.L. Seychuk | 6/1/1995 |
| Alleged non-performance of a geotextile filter. Proceedings of the 10th PanAmerican Conference on Soil Mechanics and Foundation Engineering, Guadalajara, Mexico, October 29-November 3, 1995. Published by Sociedad Mexicana de Mecanica de Suelos, Mexico, 1995. Volume 3, pages 1654-1667. | R.K. Rowe and J.L. Seychuk | 1/1/1995 |
| General report on Theme VI: Forensic Engineering. Proceedings of the 10th PanAmerican Conference on Soil Mechanics and Foundation Engineering, Guadalajara, Mexico, October 29-November 3, 1995. Published by Sociedad Mexicana de Mecanica de Suelos, Mexico, 1995. Volume 4, pages 704-719. | J.L. Seychuk and T. Shuk | 1/1/1995 |
| The "injustice" of the traditional litigation process for technical dispute resolution. Proceedings of the 10th PanAmerican Conference on Soil Mechanics and Foundation Engineering, Guadalajara, Mexico, October 29-November 3, 1995. Published by Sociedad Mexicana de Mecanica de Suelos, Mexico, 1995. Volume 4, pages 720-727. | J.L. Seychuk | 1/1/1995 |
| Dispute resolution: how engineers can take control. Innovation Conservation and Renovation: proceedings of the 45th Canadian Geotechnical Conference, Toronto, Ontario, October 26-28, 1992. Published by the Canadian Geotechnical Society, 1992. pages 108/1-108/7. | M.L.J. Maher and J.L. Seychuk | 10/26/1992 |
| Book review of "Suit is a four letter word" by H.W. Nasmith. Canadian Geotechnical Journal, Volume 25, Number 1, February 1988, page 177. | J.L. Seychuk | 2/1/1988 |
| Landslides and cut slope problems in the Bolivian Andes: the La Paz-Puerto Salinas highway. 4th International Symposium on Landslides, Toronto, Ontario, September 16, 1984. Published by the Canadian Geotechnical Society, Downsview, 1984. Volume 1, pages 655-661. | R.F. Lopes and J.L. Seychuk | 1/1/1984 |
| The geotechnical engineer and urban slope stability problems: his role, responsibilities and liabilities. Proceedings of the Canadian Geotechnical Society Specialty Conference on Slope Stability Problems in Urban Areas, Toronto, Ontario, April 21-22, 1980. Published by the Canadian Geotechnical Society, Montreal, 1980. 24 pgs. | J.L. Seychuk | 1/1/1980 |
| Groundwater control to the rescue: two case histories. Canadian Geotechnical Journal, Volume 16, Number 4, November 1979, pages 716-733. | J.L. Seychuk and L.R. Lahti | 11/1/1979 |
| Geotechnical aspects of Thunder Bay Terminals. Canadian Institute of Mining, Metallurgy and Petroleum Bulletin, Volume 72, Number 808, August 1979, pages 80-89. | J.L. Seychuk and J.H.A. Crooks | 8/1/1979 |

| | | |
|--|--|------------------|
| <p>Geotechnical aspects of disposal and containment of low-level radioactive wastes. Proceedings of the 24th Ontario Industrial Waste Conference, Toronto, Ontario, May 31, 1977. Published by the Ontario Ministry of the Environment, Toronto, 1977.</p> | <p>V. Milligan, J.L. Seychuk and R.R. Turton</p> | <p>1/1/1977</p> |
| <p>A study of the deformation characteristics of a stiff fissured clay. Sampling of Soil and Rock: proceedings of the 73rd Annual Meeting of the American Society for Testing and Materials, Toronto, Ontario, June 21-26, 1970. Published by the American Society for Testing and Materials, Special Technical Publication 483, January 1971, pages 60-76.</p> | <p>K.Y. Lo, J.L. Seychuk and J.I. Adams</p> | <p>1/1/1971</p> |
| <p>Load tests on bedrock. Canadian Geotechnical Journal, Volume 7, Number 4, November 1970, pages 464-470.</p> | <p>J.L. Seychuk</p> | <p>11/1/1970</p> |
| <p>The shear behaviour of a stiff fissured clay. Proceedings of the 7th International Conference on Soil Mechanics and Foundation Engineering, Mexico City, August 1969. Published by Sociedad Mexicana de Mecanica de Suelos, Mexico City, 1969. Volume 1, pages 249-255.</p> | <p>K.Y. Lo, J.I. Adams and J.L. Seychuk</p> | <p>8/1/1969</p> |
| <p>Soil problems in subway construction. Proceedings of the 3rd PanAmerican Conference on Soil Mechanics and Foundation Engineering, Caracas, Venezuela, 1967. Published by the Sociedad Venezolana de Mecanica del Suelo e Ingenieria de Fundaciones, Venezuela, 1967. Pages 203-240.</p> | <p>H.Q. Golder and J.L. Seychuk</p> | <p>1/1/1967</p> |
